

Remote Equipment Return Policy

Document ID: PM-2026-04

Date: 2026-07-15

Reference: <https://example.invalid/equipment-returns>

Purpose

This memo defines the return process for company equipment used by remote staff.

Covered equipment

Return all assigned items when an assignment ends.

- Laptop and power adapter
- External display
- Security key

Return steps

Use the following controlled sequence.

1. Record each asset tag.
2. Pack each item securely.
3. Confirm receipt with Workplace Operations.

Service levels

The current handling targets are shown below.

Request	Owner	Target
Shipping label	Operations	1 day
Receipt confirmation	Inventory	2 days
